What is Divine FM

Divine FM is a Radio-Audio-based Ministry that was initiated with the main purpose to touch lives with the heavenly purpose. We've identified this radio platform as a way to carry out the Great Commission through a modern medium.

How we Operate

We are located at Madhavaram, Chennai. Divine FM has arrived, fully equipped with a crew of faithful stewards ministering to take the Gospel around the globe through this particular medium. Google Chrome, TuneIn Radio, and Radio Garden are all connected to our radio and broadcast it. We're looking to expand to other platforms, such as iOS.

Why choose us?

We focus on gaining souls for Kingdoms' purposes. For us, it's all about what makes us different and how we proclaim the Good news so that everyone gets a chance to hear the Gospel of Christ Jesus. Above all, we want our words to work for the glory of God and in winning souls.

How can you be a part

We extend a warm welcome to anybody who wants to make a difference in the world for God and in society by volunteering their time to Divine FM's numerous programs and activities. At its best, Divine FM would want to increase the number of volunteers and acknowledge them as one of our pillars. Divine FM is hard-pressed to function smoothly in the absence of volunteers and ongoing support and contributions in any manner. We also welcome contributions in monetary means, which will solely be used for Divine FM's needs. We'd also like to let you know that Divine FM is always open to and welcoming all those who want to broadcast their portion of ministry in audio formats.

தெய்வீக குரலாய் பல இல்லங்களில் ஒலித்து;
தேவனின் வார்த்தையால் பல உள்ளங்களை ஒளிரச் செய்து
அனுதன அப்பமாக, வானத்தின் மன்னாவாக
தேவனை உயர்த்தும் இசை மெட்டுகளால்
மனதின் பாரம் நீங்க செய்து மன அமைதி
என்றும் தரும் டிவைன் எஃப்.எம்.க்கு தேவனின் அருளும்,
கிருபையும் தொடர இயேசுவின் நாமத்தில் வாழ்த்துகிறேன்.
-David Merwin Prabhakar.

Divine FM was founded with the primary goal of touching lives with a heavenly purpose. Every person God adopts as a child has a mission and a divine calling, and JC Media House has acknowledged this radio platform as a means of fulfilling God's divine purpose.

We live in a Social Media culture, so we know that God will undeniably build His kingdom through this Radio-Audio ministry.

Our radio is also linked with and carried through by Google chrome, TuneIn radio, and Radio Garden. We're hoping to reach various other platforms including the IOS.

We're always open to and welcome all those who wish to broadcast their part of ministry in audio formats through Divine FM.
